| Is the partner organisation a non-profit?  | NGO     |

### Background and Experience

Please briefly present your organisation

Youth for Social Changes (YSC) is a youth NGO which works to promote human development of the youngsters with fewer opportunities as people that have value and need equal opportunities.

The vision of YSC is: to integrate and mobilize disadvantaged youngsters and with social problems in society by giving to them the possibility to be the main actors of this change.

We work in three main pillars:

Youth empowerment

Human Rights

Social Inclusion

Youth for Social Changes has this general priorities: To built a youth movement for bringing a social change, to mobilize the youngsters to identify the community needs and to participate voluntarily on his development, to promote gender equality, to raise the self-esteem of the youngsters, to integrate and encourage the employment on them, to include youngsters from different cultures and minorities as Roma or from other minorities which are marginalized, vulnerable and face social exclusion, to increase their critical thinking and if they want a different world they have to give their contribution for it, to raise their capacities, to educate society, media and policy makers in their contribution as future leaders of society.

YSC Activities: Advocacy / Lobbying, projects, trainings, seminars, workshops, self-organized activities, site visits, campaigns, youth centers etc.

*Our motto is: "By young people for all people"*

What are the activities and experience of the organisation in the areas relevant for this application?

Our organisation has been working in the inclusion of minorities and marginalized groups, by implementing training and seminars at local level, on wising awareness on intercultural communication. We also worked with youth from remote / rural areas and the youth from towns/cities, in increasing the cohesion among them and breaking the communication barriers. Thus enabling the youth coming from rural areas, to be more involved and integrated in the life of the towns where they moved.

As an active organisation we have been involved in local campaigns on antidiscrimination and Human Rights. Our members are young people coming from different backgrounds and having work and life experience with minorities that actually are in Albania.

Also we have implemented several projects with the main themes of social entrepreneurship, youth unemployment, human rights education, project managements, gender equality and currently we are implementing a long term project focused on entrepreneurship and project management . These projects was supported by YIA, E+ program and RYCO.

What are the skills and what is the expertise of key staff/persons involved in this application?

Y.S.C. has a very experienced staff and volunteers.

We have experience in European projects management, a long experience working with youth and their social inclusion.

Moreover project manager has experience as freelance trainer and youth worker based on non formal education method and as well it is an sociologist. Also has extensive background in activities with the theme of human rights education, social inclusion, campaigning, leadership, communication, creativity, debating, conflict resolution and empowerment of minorities.

Project coordinator has experience in coordinating and implementing activities as are YIA and Erasmus+ projects and also EVS. Moreover has really good knowledge on finance and accounting.

More info upon request.

Please describe also the role of your organisation in the project. (limit 1000 characters)

The role of Y.S.C. it is as sending organization.

Sending organization chose and prepares youth participants in Albania and youth leader for active participation in project, concerning all roles of E+ Programme.

Sending organization is responsible to provide active involvement of youth leader and youth participants in preparation of project, its implementation and dissemination of project results.

Sending organization will support full filling of general objectives and priorities of E+ programme and insure protection and safety for its representatives during project implementation.

Sending organization will ensure the visibility of project and Programme in local community supporting dissemination and exploitation of project results.

Sending organization is responsible to insure respect of anti-discrimination measures during selection of youth participants.
